

Terms & Conditions

Eligibility:

- You'll receive free brokerage funds worth ₹250 upon activating this offer
- The offer is applicable only once per customer unless otherwise stated
- This is a limited period offer and is valid only for the duration communicated at the time of activating offer

Applicable Segments

- Free brokerage can be used across all trading segments, except for customers on lot-based brokerage plans (Paisa brokerage) or the Upstox Plus-pack
- In case you activate this offer and later switch to a lot-based brokerage plan, the offer will be revoked

Order Validity & Application

- Only successful (completed) trades will be considered for free brokerage. Cancelled, rejected, or pending orders will not be counted
- If you activate the offer before 4:00 PM, eligible trades of that same day will be included
- If you activate the offer after 4:00 PM, discounts will apply from the next trading day onwards
- The free brokerage balance will be updated after market hours at the end of the day

Limitations & Caps

- Brokerage waiver is capped at ₹250. Any brokerage beyond this limit will be payable by the customer. For any cash trade (delivery or intraday) during the offer period, brokerage will be considered at flat ₹20 per executed order. Once the offer validity expires, brokerage rates according to your plan will apply

Duration & Expiry

- Free brokerage funds are valid only for the communicated period
- Any unused balance will automatically expire at the end of the validity period
- Once all offer trades or free brokerage funds are used up, standard brokerage charges as per <https://upstox.com/pricing/> will apply

General Conditions

- Statutory and regulatory charges (STT, GST, SEBI charges, stamp duty, exchange fees, etc.) are not covered under this offer and will continue to apply
- Upstox (RKSV Securities India Pvt Ltd) reserves the right to withdraw, extend, or modify this offer at its sole discretion without prior notice
- Upstox is a registered trademark of RKSV Securities India Pvt Ltd.
